

Results 2018: IB Diploma (Updated, 9 Aug-Provisional) and BTEC

Our vision is for every student to be the best they can be.

WIS students have attained excellent examination results, with 98% pass rate for those taking the full IB Diploma. Our results are exceptional compared to world averages. The overall average points score achieved is 36, compared to the world average of 30*. The mean grade per subject (5.6) is significantly higher than the world average (4.7*).

23% of our students achieved 40+ points (8% worldwide*) with 63% achieving 35+ points (27% worldwide*)

In the IB Diploma Core, the average bonus points awarded per student was almost 2, against a world average of 1.3*

Our aim is for each student to experience a broad and flexible curriculum that can be personalised to individual interests, talents and abilities. We offer specialist level 3 Btec qualifications that cover Engineering, Art & Design, Business Studies, Performing Arts, Sports and Exercise Sciences. 25 students completed BTEC Level 3 National Diplomas this summer, and 27 students completed a BTEC Level 3 Subsidiary Diploma; all passed admirably. 58% of all students achieved the highest grades of Distinction or above, and over 80% achieved Merit or above. We encourage students to also take an AS Extended Project qualification which were awarded in Year 12, and many also take additional IB Diploma Courses.

Regardless of which pathway our students have chosen, they have earned places at a range of excellent universities around the world which is testament to the quality of our courses and the aspiration of our learners.

We are proud of each individual and these average statistics cannot do justice to the many stories of personal growth. Students have made outstanding progress since Kindergarten, which can be attributed to the commitment and hard work of everybody in our ESF community.

Thank you to the parents and families who have worked in partnership to uphold such high standards, to our kindergarten and primary school colleagues who put students on the path to success in their early years, and to the teaching staff of West Island for their care, belief, patience, guidance and expertise.

My absolute admiration and respect to you all, congratulations class of 2018.

Chris Sammons,
Principal
July 8

Overview of IB Attainment (2015-2018)	May 2018 **	May 2017	May 2016	May 2015	Worldwide May 2017*
Number of students entered for the full IB Diploma	143	142	124	132	78, 853
Number of students achieving the IB Diploma	140	142	123	131	62,960
% of students achieving the IB Diploma	98%	100%	99%	99%	78.4%
